## DAY 1

An early departure from **Pretoria** travels via **Roodepoort**. At **Kroonstad** we pause a while for breakfast and then proceed via **Bloemfontein**, **Reddersburg**, **Smithfield** and **Rouxville**. At **Aliwal-Noord** we cross the **Orange river** and enter the **Eastern-Cape**. The route from here is unbelievably beautiful and travels all along the **southern border** of the **Drakensberg**. We pass **Lady Grey**, the **Kraai river pass** and **Barkly-East** to arrive in the mountainous area, just short of **Elliot**, where the **Mountain Shadows** hotel is situated. This is our beautiful home for tonight.

## DAY 2

After a delicious breakfast, we depart. The route continues to amaze us, especially the winding **Elliot pass** with its strange rock formations and the “**Tortoise**” and the “**Guards of Elliot**”, are rather special. The beautiful route proceeds via **Maclear** and **Matatielle**. At **Kokstad** we proceed northward and just before **Underberg** we turn left to reach our accommodation, the idyllic **Drakensberg Gardens Hotel** in the **Southern Drakensberg**. This is our home for the next **2 nights** and a delicious dinner awaits.

## DAY 3

**Today is a day filled with excitement and adventure!!** After breakfast, we depart for **Himeville** via **Underberg** and board **4 X 4 vehicles**. We depart on a breath-taking route through the **World Heritage area** – the **Natal Drakensberg Park** and then climb the **Sani Pass** to reach the **Roof of Africa** at an elevation of approximately **3 000m** to the **highest pub** in Africa **A day never to be forgotten!!!**

## DAY 4

After a delicious breakfast, we depart in the direction of the **Central Drakensberg**. The route takes us via **Howick, Mooi River** and **Estcourt** to **Winterton** and the **Monk's Cowl Hotel**, where we will be staying over for the next **2 nights**.

## DAY 5

A day to marvel the beauty and majesty of the **longest mountain range** in **South Africa**. During the morning, and weather permitting, a fascinating **Raptor Show** is in the offering at **Falcon Ridge**. If not, we will take a short drive in the area to some of the **local industries and shops** and then return to the hotel. During the afternoon we will attend a **concert** by the **Angelic Voices** of the **Drakensberg Boys Choir**.

## DAY 6

We must leave this wonder world behind us. After breakfast, we hit the road in a northerly direction to **Bergville**. We visit the interesting and magnificent engineering achievement – that of the **Drakensberg underground pump station**, where water is pumped across the escarpment into the **Sterkfontein Dam** and **electricity** is generated. Following this visit, we depart via the **Olivier's Hoek Pass** and the **Sterkfontein Dam** to the wonder world of the brightly coloured **sandstone formations** of the **Golden Gate National Highlands Park** and our home for tonight.
